

Please make checks payable  
and mail registration to:

Radiological Society of New Jersey  
26 Eastmans Road  
Parsippany, NJ 07054

#### REFUNDS

Full refund, less \$50.00 administrative fee.  
No cancellations after February 15, 2012.

#### TARGET AUDIENCE

**RADIOLOGISTS, RESIDENTS, RADIOLOGY  
TECHNICIANS, MEDICAL STUDENTS, AND ALLIED  
HEALTH PROFESSIONALS**

#### GOALS & OBJECTIVES

This course is designed as both a didactic and pragmatic symposium on mammography and other breast imaging modalities. The overall goal of the program is to assist participants in maintaining their certification in breast imaging. **The ACR requires 15 credit hours every three years.**

**CERTIFICATION:** Saint Barnabas Medical Center designates this educational activity for a maximum of 15 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**ACCREDITATION:** Saint Barnabas Medical Center is accredited by the Medical Society of New Jersey to provide continuing education for physicians.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Medical Society of New Jersey (MSNJ) through the joint sponsorship of Saint Barnabas Medical Center and the Radiological Society of New Jersey. Saint Barnabas Medical Center is accredited by MSNJ to provide continuing medical education for physicians.

**DISCLOSURE POLICY:** It is the policy of Saint Barnabas Medical Center, Department of Medical Education and Clinical Research to ensure balance, independence, objectivity and scientific rigor in all sponsored educational programs. All faculty participating are expected to disclose to the program audiences any associated or apparent conflict(s) of interest related to the content of their presentation(s). Also disclosed will be any expected discussions of non-FDA-approved products or devices.

**CANCELLATION POLICY:** Cancellations and requests for refunds will be accepted until **February 15, 2012.**

As a result of attending this symposium, participants should be able to:

- Recognize how to interpret screening mammography
- Discuss the essentials of the mammographic report
- Describe the indications for breast MRI
- Determine whether images are sufficient diagnostic quality
- Manage non-mass-like areas of enhancement on MRI
- Recognize how to interpret diagnostic mammography
- Discuss the use of the concept and the management of patients classified in this category with the probably benign lesion
- Recognize a variety of unusual and interesting pathology
- Discuss relevant changes in the new 5th edition of BI-RADS
- Utilize tips in performing MRI guided biopsies
- Analyze breast masses with mammography
- Recognize the appearance of breast calcifications
- Discuss the clinical and imaging features of ductal carcinoma in situ and its relation to its variable histological appearance
- Describe the various types of asymmetric breast findings
- Identify the clinical and imaging features of invasive lobular carcinoma in relation to its histological appearance
- List the technical and clinical aspects of digital mammography
- Identify potential pitfalls in interpretation leading to the delay of a breast cancer diagnosis
- Describe approaches and strategies in evaluating patients who present with either clinical or mammographic signs of breast cancer
- Discuss the potential mammographic findings in women following breast biopsies, breast cancer therapy, augmentation and reduction mammoplasty
- Identify techniques and diagnostic indications for the use of breast ultrasound

*Breast Imaging Symposium*  
Saturday and Sunday  
February 25–26, 2012

and Clinical Research

*Breast Imaging Symposium*

Saturday and Sunday  
February 25–26, 2012

Renaissance Woodbridge Hotel  
Route 1 South, Iselin, NJ

*Program Co-Chairs:*  
Robert Graziano, MD  
Mark Bramwit, MD

# RSNJ 2012 Breast Imaging Symposium Schedule

## SATURDAY, FEBRUARY 25, 2012

- 7:00 AM Registration, Continental Breakfast and Visit Exhibits
- 7:45 **Welcome and Introductions**  
Robert Graziano, MD and Mark Bramwit, MD, Program Co-Chairs
- 8:00 **An Organized Approach to Interpreting Screening Mammography Examinations**  
Edward A. Sickles, MD
- 8:45 **The Mammography Report: Structure, Content, Communication Issues**  
Edward A. Sickles, MD
- 9:30 **Indications for Breast MRI**  
Janice S. Sung, MD
- 10:15 Coffee Break and Visit Exhibits
- 10:45 **Assessing Image Quality**  
Gilda Cardenosa, MD
- 11:30 **Foci and Non-Mass Enhancement**  
Janice S. Sung, MD
- 12:15 PM Lunch/ RSNJ Semi-Annual Business
- 1:30 **An Organized Approach to Interpreting Diagnostic Mammography**  
Edward A. Sickles, MD
- 2:15 **The Probably Benign Lesion: What Is It and How Do I Use It?**  
Gilda Cardenosa, MD
- 2:45 **Difficult Cases on MR**  
Janice S. Sung, MD
- 3:30 Coffee Break and Visit Exhibits
- 4:00 **The New (5th) Edition of BI-RADS: Update 2012**  
Edward A. Sickles, MD
- 4:45 **MR Guided Biopsy**  
Janice S. Sung, MD
- 5:30 Questions and Answers
- 6:00 PM Adjournment

## SUNDAY, FEBRUARY 26, 2012

- 7:00 AM Registration, Continental Breakfast and Visit Exhibits
- 7:45 Moderator: Mark Bramwit, MD
- 8:00 **Mammographic Analysis of Breast Masses**  
Edward A. Sickles, MD
- 8:45 **Mammographic Analysis of Breast Calcifications**  
Edward A. Sickles, MD
- 9:30 **Ductal Carcinoma in Situ: Imaging-Histology Correlation**  
Gilda Cardenosa, MD
- 10:00 Coffee Break and Visit Exhibits
- 10:30 **Imaging Analysis of Breast Asymmetries**  
Edward A. Sickles, MD
- 11:15 **Invasive Lobular Carcinoma: Imaging-Histology Correlation**  
Gilda Cardenosa, MD
- 11:45 **Current Status of and Future Applications of Digital Mammography**  
Edward A. Sickles, MD
- 12:30 PM Lunch and Visit Exhibits
- 1:15 **How to Avoid the Delayed or Missed Diagnosis**  
Gilda Cardenosa, MD
- 2:00 **Problem Solving in Mammography**  
Gilda Cardenosa, MD
- 2:45 Coffee Break
- 3:00 **Imaging the Altered Breast**  
Gilda Cardenosa, MD
- 3:45 **Breast Ultrasound: Diagnostic Uses**  
Gilda Cardenosa, MD
- 4:15 Questions and Wrapup
- 5:15 PM Adjournment

## FACULTY

**GILDA CARDENOSA, MD**  
Director of Breast Imaging  
The Veronica Donovan Sweeney Professor of Breast Imaging  
Department of Radiology  
Virginia Commonwealth University Health System  
Medical College of Virginia  
*Richmond, VA*

**EDWARD A. SICKLES, MD**  
Professor *Emeritus*  
Department of Radiology  
Breast Imaging Section  
University of California  
*San Francisco, CA*

**JANICE S. SUNG, MD**  
Assistant Attending Radiologist  
Memorial Sloan-Kettering Cancer Center  
Assistant Professor of Radiology  
Weill Cornell Medical College  
*New York, NY*
